

Zook Chiropractic COVID -19 UPDATE

At Zook Chiropractic our number one priority has always been the health and safety of our patients. Often in times of uncertainty, there can be a wealth of misinformation spread, especially in today's digital age. As a leading healthcare authority in our community, we wanted to reach out to all of our patients regarding the COVID-19 virus, and to let you know the steps we are taking to alleviate any potential concerns.

We recommend all of our patients to wash their hands frequently, avoid close contact with people who are sick, and stay home if you aren't feeling well. We follow strict cleaning policies for the protection of both our staff and our patients. Dr. Tim, Dr. Kim and the staff members maintain rigorous personal hygiene standards as well preparing for every patient interaction. We use high grade disinfectants across the entire office, with table cleaning after each patient to ensure a safe and clean environment.

Please rest assured that we are following local and national updates daily, and we will continue to maintain the highest level of safety and patient care that you have come to expect. If you have any questions regarding your future visits, please don't hesitate to reach out to us.

Please advise us if you have traveled internationally in the last 14 days, or have been in close contact with another person who has been diagnosed with or under investigation for COVID-19, or if you have a non-productive cough, fever, or shortness of breath.

Thank you for your cooperation and understanding during this time as we all work together to get through COVID-19. You are all important to us. If you have any additional questions, please contact the office at 850-678-4155
